

Biden School of Public Policy & Administration

M.A. in Urban Affairs & Public Policy Plan of Study

November 2021

The MA degree requires a total of 36 credits. This form must be completed in consultation with and approved by your academic advisor, and submitted to the School Office (184 Graham Hall) no later than the end of the second semester of study, or sooner if possible. Your plan of study can later be revised, but then must be re-approved by your academic advisor and re-submitted to the School Office. No course can be double-counted to meet multiple requirements of the MA degree program. Consult your advisor and the MA Director about possible course waivers or substitutions.

Area of Research

In consultation with your academic advisor, select additional courses to complete your area of research for your academic program. For students who select the Thesis as the capstone project (a 6-credit project), 6 credits are required in the area of research; for those students selecting the Historic Preservation Capstone Studio Paper (a 3-credit paper), 9 credits are required in the area of research. Students may consider taking courses elsewhere within the University of Delaware to fulfill the area of research requirement, as long as the courses are approved by the student’s advisor.

Internship: While an internship is not required for M.A. students, you may choose to do an internship, and you may also seek academic credit as part of your area of research, with the approval of your advisor.

**Thesis or MA Capstone Studio
(3-6 credits)**

In consultation with your academic advisor, select the **Thesis Option** (UAPP689, 6 credits) or the **MA Capstone Studio Option** (UAPP700, 3 credits) or to complete your degree program.
