This webinar will present the findings of the recently completed Habitat for Humanity-sponsored report, *A Needs Assessment for Repairs to Low-Income Owner-Occupied Housing in Delaware*, place its findings in a regional and national context, and discuss needs, gaps, and potential policy, funding, and practice approaches to addressing these needs.

Contact Sean O'Neill (oneill@udel.edu) with questions about this event.

Presented by the
Center for Community Research & Service
& the Institute for Public Administration
& the Delaware Tri-County
Habitat for Humanity Organizations
