events/upcoming](http://www.bidenschool.udel.edu/ipa/events/upcoming)

Two practitioners in each of Delaware's counties will share the impacts of their work in housing and community development and specific policies that could improve housing conditions statewide.

Learn about the conflicts and challenges they face and opportunities for state and local government partners to collaborate with practitioners to improve housing conditions and make Delaware a model for the rest of the country.

Contact Sean O'Neill (oneill@udel.edu) with questions about this event.

Presented by the
Center for Community Research & Service
& the Institute for Public Administration

UNIVERSITY OF DELAWARE
**BIDEN SCHOOL OF PUBLIC
POLICY & ADMINISTRATION**
