Planning 101 provides valuable information for all elected officials who consider and act upon comprehensive plans, land use and zoning matters, and other growth issues. Planning and zoning commissioners, board of adjustment members, and those who take part in community planning and land-development matters will enjoy this course.

Course topics will include:

- Delaware planning and zoning statutory requirements
- The elements of a comprehensive plan
- The basics of land use control
- The role of the planning & zoning commissioner

This session qualifies for certificate credit in the Academy for Excellence in Local Government Leadership, and the Delaware Planning Education Program.
